The image shows the Yellowfin homepage. At the top left is the Yellowfin logo. To its right are login fields for 'ユーザー名:' (Username) and 'パスワード:' (Password), with a 'ログイン' (Login) button. The main banner features a blue background with a school of fish and the text 'Making Business Intelligence Easy'. A red rectangle highlights a button that says 'Register to receive your login' with an information icon. The footer contains copyright information and the text 'Powered By Yellowfin'.

Yellowfin

The image shows the Yellowfin registration form. It has a header with the Yellowfin logo and login fields. The main content area is titled 'Thanks for choosing try Yellowfin' and asks the user to complete a registration form for a 1-year evaluation copy. The form includes fields for Name (First and Last), Job Title, Contact (Email and Phone), Company (Country and State/Province), and Company Name and Website. Under 'Proposed Interest', there are radio buttons for 'Customer' (selected), 'Reseller', and 'ISV Partner'. At the bottom, there is a text area for 'Please indicate your reporting requirements' and 'Submit' and 'Cancel' buttons. The footer contains copyright information and the text 'Powered By Yellowfin'.
