  - c. >
- 
- A screenshot of the Yellowfin interface. A modal window titled 'Translate content' is open. Inside the modal, there is a checked checkbox labeled 'Translate content'. To the right of the checkbox is an information icon (a blue circle with a white 'i'). Below the checkbox is a 'd.' label.

2.

- a. >>
- b.
- c. +

A screenshot of the Yellowfin interface showing 'Multi-language deployment' settings. It includes a checkbox labeled 'On' and language selection fields for English and Chinese. A dropdown menu shows 'Afrikaans' with a '+' button to add more languages. Below the dropdown is a 'd.' label.

Multi-language deployment  
Content Translation is enabled, allowing advanced users to provide alternate text to be displayed for additional languages.
