Chart Settings

Size & Position

Time Format

Style

Interaction

Visible Series Selection

Allow users to select which series are displayed on the chart from the report output page.

On

Series Selection Style

Allow users to select series through the default method of the chart, which is either checkboxes or a drop down list.

Visible Series Selection

Top Panel

Link Field

Select a field formatted to contain a URL in order to use it on the chart.

-- Select Field --

Visible Unit Selection

Use the default units specified above, rather than allowing the user to define them.

Off

Date Slider

Hide the date slider so users cannot change the date range of the chart outside of filtering.

Off
