I want to use the following CSV file:

Upload File:  WeekDensityChartSample.csv

- 6.

7. 10

I want the CSV data to have the following format:

| File Attributes                                                             |    | A                        | B                        | C                        | D                        |
|-----------------------------------------------------------------------------|----|--------------------------|--------------------------|--------------------------|--------------------------|
| <input checked="" type="checkbox"/> First row contains unique column titles | 1  | Transaction ID           | Transaction Time         | Transaction Type         | Transaction Value        |
| Rows Imported: 630<br>File Size: 24.05 KB                                   | 2  | 120577                   | Mon Jan 11 09:03:00      | SALE                     | 49.95                    |
|                                                                             | 3  | 120578                   | Mon Jan 11 09:07:00      | SALE                     | 19.95                    |
| Name & Description                                                          | 4  | 120581                   | Mon Jan 11 10:11:00      | EXCHANGE                 | 0                        |
|                                                                             | 5  | 120582                   | Mon Jan 11 10:15:00      | RETURN                   | -29.95                   |
|                                                                             | 6  | 120583                   | Mon Jan 11 10:19:00      | SALE                     | 32.95                    |
|                                                                             | 7  | 120584                   | Mon Jan 11 10:31:00      | SALE                     | 15.95                    |
|                                                                             | 8  | 120585                   | Mon Jan 11 10:43:00      | SALE                     | 27.9                     |
|                                                                             | 9  | 120587                   | Mon Jan 11 10:55:00      | SALE                     | 38.95                    |
|                                                                             | 10 | 120588                   | Mon Jan 11 10:59:00      | SALE                     | 40.45                    |
| Column Attributes                                                           |    |                          |                          |                          |                          |
| Type:                                                                       |    | DECIMAL                  | TIMESTAMP                | VARCHAR                  | DECIMAL                  |
