SQLXML

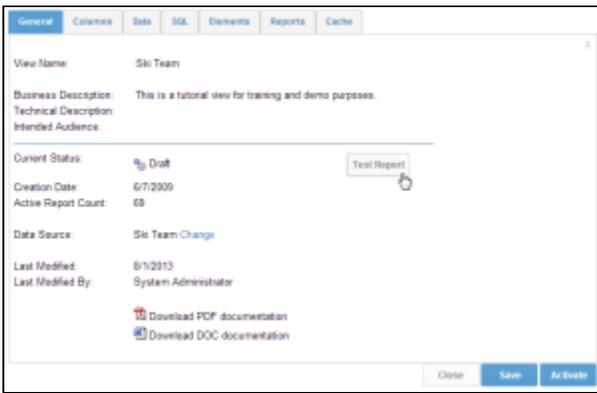

This screenshot shows the 'General' tab of a report configuration window. The view name is 'Ski Team'. The business description is 'This is a tutorial view for training and demo purposes.' The current status is 'Active', and there is a 'Create Report' button. Other details include creation date (6/7/2009), active report count (69), data source (Ski Team), and last modified by (System Administrator). There are also links to download PDF and DOC documentation.

View Name:	Ski Team
Business Description:	This is a tutorial view for training and demo purposes.
Technical Description:	
Intended Audience:	
Current Status:	<input checked="" type="radio"/> Active <span>Create Report</span>
Creation Date:	6/7/2009
Active Report Count:	69
Data Source:	Ski Team
Last Modified:	13/12/2012
Last Modified By:	System Administrator
	<a href="#">Download PDF documentation</a>
	<a href="#">Download DOC documentation</a>

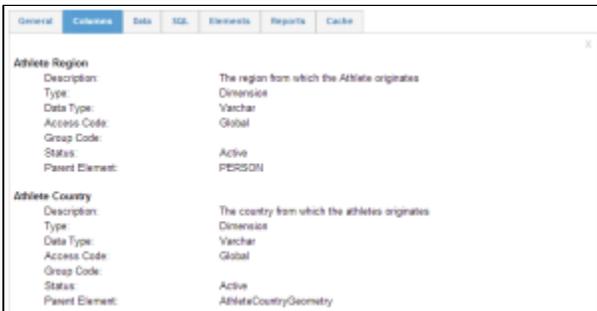

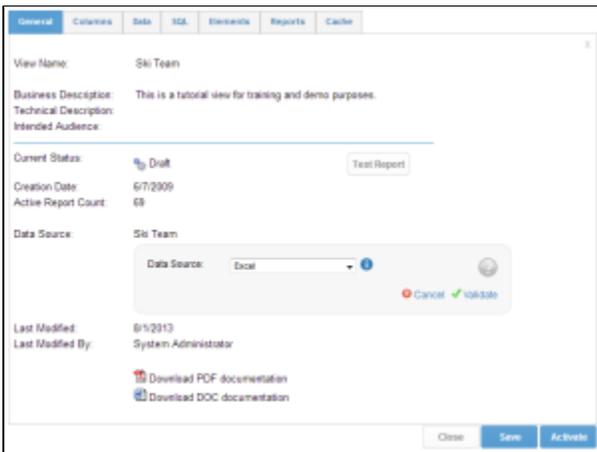

This screenshot shows the 'General' tab with the 'Data Updated' section expanded. It includes a date range selector with 'Apply' and 'Cancel' buttons. The rest of the configuration details are identical to the previous screenshot.
