

Yellowfin

Yellowfin**application/program**

A screenshot of a file explorer window showing the directory structure of a Yellowfin 9.6 installation. The window title is "Yellowfin 9.6". The "Name" column lists the following items: a folder "appserver", a folder "data", a folder "development", a folder "doc", a folder "legal", a folder "tutorialdata", a folder "Uninstaller", a file "yellowfin.war", and a file "YellowfinInstallLog-20210628.log". Each item has a small icon to its left: a blue folder icon for directories and a document icon for files.
